

Let's make
food better!

Improve your Nutri-Score rating with multifunctional fibres Herbaccel® AQ® Plus Apple and Citrus

The Nutri-Score is challenging all European food producers to reformulate existing products and to overthink new product developments. For a Nutri-Score rating of A or B smart food solutions are required. The challenge is to create full-bodied products with intensive flavour while decreasing the fat, sugar and salt content.

Our Herbaccel AQ Plus range meets all these requirements by its excellent nutritional, functional and organoleptical properties.

Attributes of apple and citrus fibre

- Texturizer for
 - Fat replacement
 - Sugar replacement
 - Full-body products
- Emulsifying properties
- Smooth mouthfeel
- Optimal flavour release
- Clean label
- 90 % fibre content

Herbaccel® AQ® Plus Apple and Citrus are high functional fibres which are obtained from freshly harvested apples and citrus fruits after juicing and gently drying.
