

## Statement Concerning Environmental Labelling according to Decision 97/129/EC

Product: **Herbacel Classic Plus HF 04**

The product mentioned above delivered by Herbafood Ingredients GmbH is usually packaged in paperbags with PE-inliner. The exact composition of the packaging and transport packaging materials have not yet been provided by suppliers.

Packaging which was produced or placed on the market before 31<sup>st</sup> December 2022 can still be used and does not need updated environmental labelling.
