

Statement Concerning Environmental Labelling according to Decision 97/129/EC

Product: **Herbarom AF 24-SR-M30**

The product mentioned above delivered by Herbafood Ingredients GmbH is usually packaged in cardboard boxes with PE-inliner. The exact composition of the packaging and transport packaging materials have not yet been provided by suppliers.

Packaging which was produced or placed on the market before 31st December 2022 can still be used and does not need updated environmental labelling.
