

Statement Concerning Packaging

Product: **Herbarom, Herbasweet in 25 kg canisters**

Please note that we can only provide approximate information and that the packaging used may differ. The amounts of plastic in the packagings of the product groups mentioned above delivered by Herbafood Ingredients GmbH are usually as follows:

Data refer to a 600 kg pallet (24 canisters):

Description	Weight of plastic
canisters and lids	total approx. 25 kg
other plastic components (e. g. stretch foil)	approx. 1 kg
Pallet	Wooden pallets are normally used. If you have specifically requested a plastic pallet, please ask your sales contact about the weight.
